(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show the lineal position, date of rank, and effective date in the grade of lieutenant commander he would have been assigned, but for administrative delay in effecting his promotion pursuant to selection by the Fiscal Year (FY) 00 Lieutenant Commander Staff Selection Board. He specifically requested a date of rank and effective date of 1 June 2000. His current date of rank and effective date are 1 July 2000.

2. The Board, consisting of Ms. Moidel and Schnittman and Mr. Bartlett, reviewed Petitioner's allegations of error and injustice on 17 August 2000, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the Navy Personnel Command (NPC) office with cognizance over the subject matter of this case has commented to the effect that Petitioner's request has merit and warrants favorable action. They recommend changing his lieutenant commander date of rank (and by implication, effective date) to 1 June 2000.
